Chicago, by Winning Yesterday, Put the Pirates Out of the Race.

NEW YORK HAS CHANCE

To Even Chicago's Percentage They Must Win All Three Games from Boston-Yestere's Great Attendance Broke World's Record for Size.

HICAGO, ILL., October 4.—
Pittsburg was to-day eliminated from the National League pennant race when Chicago scored a 5 to 2 victory before a crowd which was declared to be the largest which ever paid to see a game of baseball in the world. To-day's game was the final one of the season for Chicago and Pittsburg, while New York has three more to play, all with Boston. If one of these games is not played, by reason of the weather or for other cause, or if Boston wins one, the pennant will go to Chicago for the third successive year. By winning all three, New York will exactly equal Chicago's percentage of .641. To-night Chicago leads the league with .631. Pittsburg is second, with .636, and New York, who did not play to-day, is third, with .633.

The story of the victory is a simple one. Chicago garnered twelve hits off Willis and Cammitz, while Brown allowed Pittsburg but seven. The contest was cleanly wased throughout.

The Fun Begins.

Chicago scored in the first inning. Sheckard hit what would have been an easy out, but the ball fell in the crowd in right field, and went for a double. Evers sacrificed him to third. Schulte singled to right, and Sheckard scored.

No more scoring was done until the sith, when Chicago got another. Brown went out, Abbaticchio to Storke.

Brown went out, Abbaticchio to Storke, Sheckard was disposed of in like fashion. Wagner made a wonderful stop of Evers's slow one, but threw into the crowd, and Evers went to second. Schulte brought him home with a slashing single through Willis. Chance flew out to Clarke.

In the sixth Pittsburg tied it up. Thomas singled to left and went to second when Brown's throw to catch him off the base went wild. Evers took Clarke's fly back of second. Wagner went to third on a wild pitch. Abbaticchio singled to centre, bringing Wagner in with the tying run. Chicago came back in their half with what proved to be the winning run. Howard flew out to Leach. Clarke took Hofman's fly. Tinker doubled to left. Willis deliberately passed Kling to wait for Brown. The stratagem failed, for Brown hit cleanly to right, Tinker scoring from second.

The constitution of the National League provides that a series of three games shall be played to decide at iterace for the pennant, but leaves the matter of where it shall be played for the board of directors to decide. The board will meet at Cincinnati to-morrow to take action on the game in dispute between New York and Chicago and which President Pulliam has declared to be a tie. It is said the board may settle on a place for the deciding series to be played in the event of New York's winning the remaining games with Boston.

At this hour Chicago began batting practice. Pitts-burg at 1:35 came on the field in a body, bursting through the black banks of spectators like a gray cloud amid the impartial cheers of a large section of the stands.

By 2 o'clock, when Pittsburg began batting practice, the crowd outside the stands completely surrounded the field, but still the densely packed streams of people pressed upon each other's heels through the various entrances and spread out into the field. Fifteen minutes before the time set for beginning the game the gates were closed, and the crowd had so far encroached on the field that any ordinary fly ball would have falien safe. When play was called, however, order had been restored, and it was agreed that a hit into the crowd should go for only two bases.

The amusements are of a high order and will be so conducted as to give

Carter Glass, to fill an appointment for him at Charlotte Courthouse, which he is unable to meet, owing to the fact that he is suffering from a temporary throat affection which leaves him unable to speak above a whisper. Much as I had hoped to be present on the opening day and to witness the fulfilment of the efforts of the enterprising men who have stood behind the Virginia State Fair, I feel that it is my duty to answer the summons of my party in this emergency, and will therefore be absent on the opening day, returning at 10 o'clock Monday night to take up the duties of president for the remainder of the week.

Warships Ride Hurrieane in Snfety—Wind Caused Great Damage.

MANILA, October 4.—The Atlantite battleship floet has safely outridden a hurricane which swept Manila Bay for twelve hours and did much damage ashore. Typhoon signals were displayed early Sunday morning, but the storm broke over the bay suddenly and unexpectedly at noon. It was impossible to hoist the cutters and launches belonging to the fleet, because of the danger of smashing them against the steel sides of the battleships, and the steel sides of the battleships, and the storm glickly increased in intensity, and the torrential rains shut in the ships.

During the storm all the battleships had steam up ready for an emergency. Rear-Admiral Sperry finally ordered the flagship Connecticut and the Kansas, Minnesota, Vermont, Virginia and Ohio under way. They were close to the breakwater, and Admiral Sperry feared they might drag anchors. The six vessels steamed down close to Cavite, where they anchored.

At times the wind blew at the rate of 100 miles an hour. All communication with shore was cut off. It was impossible during the height of the storm to see the warships through the haze of rain and spray. On shore it was dangerous to go about. Several carriages were overturned by the wind, trees were blown down, electric wires were prostrated, and several buildings were unroofed.

The slogan is "fourteen feet through the valley." and they are demanding that a fourteen-foot channel be provided by the government from Chicago to New Orleans via the Illinois and the Mississippi Rivers.

The other convention is the trans-Mississippi Commercial Congress at San Francisco. This convention is made up of delegates from States west of the big river, and its nur-pose is to discuss and adopt such measures as will tend to improve commercial conditions.

The national campaign of the party was opened at that place with Governor Hughes as the principal speaker, and it has been deemed fitting that the national candidate should make his closing address at that place.

The announcement was regarded as interesting, because of its indication that the candidate will be occupied actively right up to the eve of the national election. After the Youngstown meeting Mr. Taft will leave at one? for Cincinnath to cast his vote the following day.

Candidate Taft had an exceedingly hard time to carry out what he had planned for to-day—a period of rest. He reached Kansas City early to-day from Topeka, and was met by a local welcoming committee. Demands of local politicians for "Just a handshake" consumed the remaining time until the church hour.
